

LITE HOLE C/W60

Description:

Large ceiling and wall lamp consisting of two concentric and opposing aluminium hoops that make up a short, circular lighting body. It is manufactured in two large sizes, with diameters of 120 and 90 centimetres, as well as in a 60-cm size. They all feature an acrylic opal diffuser that contains a direct-emitting and dimmable LED light source that is completely glare-free. Lite Hole is available in matte white, matte black, copper, gold and polished aluminium finishes.

Materials:

Aluminium.
